

LCDC PTO 2019-2020

President

My name is Lindsay Rogers. I serve as the Deputy Program Manager for the NASA DEVELOP National Program, an applied Earth science program at NASA. I've worked at NASA Langley for 12 years serving in a variety of capacities. I have two daughters, Loreley (6) and Evie (2). Loreley is having a blast at Camp Lunar this summer and is a rising 1st grader, and Evie is learning, growing, and livin' it up in the Comets class! It has been a wonderful honor to have both of my daughters at the LCDC and we are so grateful to the amazing staff for the positive, loving, and nurturing environment they foster on a daily basis! I'm excited to be considered for an opportunity on the LCDC PTO to continue the long-standing positive partnership between the staff and families and exploring ways to build upon that relationship.

Vice President

My name is Jim Ecker. I am a Research Computer Scientist in the Autonomous Integrated Systems Research Branch (D-332), where I perform Artificial Intelligence and Machine Learning research. I have been at NASA Langley for 3 years. I have one daughter, Alice, who is a very proud Twinkle Star. I am very active with the Twinkle Star's activities and wish to extend my service to the LCDC as a whole by serving on the PTO as Vice President.

Secretary

My name is Som Dutta. I have been at NASA Langley for the last 6 years working in the Engineering Directorate on flight mechanics simulation and GN&C for planetary missions. My son, Nayan, is in Little Dippers, and my wife and I have enjoyed the various festivals and activities that the PTO spearheads to build a community around LCDC. I would love to serve in the PTO as the secretary to help support the parents, teachers, and staff of the LCDC.

Treasurer

I'm Xiaomei Lu and I have been at NASA LaRC for 8 years. I'm in CALIPSO team to study the ocean from space-borne lidar measurements. I have three children, Aaron graduated LCDC in June 2018, Grace is in Rockets and William is in Big Dippers. I'm interested in supporting the PTO for LCDC as treasurer.
